

Logitech® LX™8 Cordless Laser Mouse

Total comfort with soft rubber grip

Ultra-comfortable cordless laser mouse

- Laser precision for ultra-smooth cursor control
- Contoured shape with soft rubber grip provides total comfort
- Cordless mini-receiver for a clutter-free desk
- Side-to-side scrolling and zoom
- USB or PS/2; Windows Vista™, Windows® XP or Mac OS X 10.3.9+
- 5-year guarantee
- Full product support

Choose the Logitech® LX™8 Cordless Laser Mouse for laser precision and total comfort. Laser technology delivers smoother cursor control on virtually any surface. The mouse's contoured shape with a soft rubber grip gives you superior comfort and control. Its plug-and-play USB mini-receiver provides a clutter-free cordless experience for both notebook and desktop computers. The LX8's tilt wheel plus zoom with precise ratchets is perfect for viewing digital photos and spreadsheets. You can instantly zoom in and out, or scroll horizontally and vertically. The universal Forward/Back buttons speed up web browsing and paging through large documents. 5-year guarantee.
